JANUS HENDERSON FUND (the "Company")  
Société d'Investissement à Capital Variable (SICAV)  
LUXEMBOURG  
RCS Luxembourg B077949

21 January 2022

Dear Shareholder,

We are writing to inform you of certain changes we are making to the Company and the Funds, which are summarised below and will be effective as of **25 February 2022**, unless otherwise stated.

Please see "**Options Available To You**" below for further information on how to respond to this notice.

**1. EU Sustainable Finance Disclosures – further regulatory disclosure requirements for all Funds and update to environmental, social and governance approach of certain Funds**

In March 2021, the EU Sustainable Finance Disclosure Regulation ("SFDR") came into force, which stipulated that investment management firms must introduce prescript and standardised sustainability-related disclosures into their fund documentation in order to provide further information for investors on how investment managers consider sustainability risks in their investment decisions, and the likely impact on investment returns. Factors which are considered under sustainability broadly include environmental, social and governance (ESG) matters.

The Company first introduced these disclosures into its fund documentation on 10 March 2021, however the SFDR disclosure requirements have evolved over time, as the European Union continue to issue further guidance on their expectations on investment firms.

In addition to SFDR, investors should note that there are also further disclosure requirements concerning the Taxonomy Regulation, which sets out an EU-wide framework (a classification system known as a "taxonomy") according to which investors and businesses can assess whether certain economic activities are sustainable from an environmental / climate perspective. The first set of disclosure requirements on investment firms relating to the Taxonomy Regulation comes into effect from 1 January 2022.

In response to the evolving SFDR and Taxonomy Regulation disclosure requirements, we will be updating and adding to our existing disclosures in the Prospectus to demonstrate how the Investment Manager considers ESG matters in investment decisions in respect of the Funds and the likely impact on investment returns, which will be effective on or around 25 February 2022.

In addition, we will be making further updates to certain Funds in connection with SFDR and Taxonomy Regulation requirements, as further outlined below: -

**Update in relation to the ESG approach of certain Funds**

From 25 February 2022, the following funds will incorporate amendments to the disclosures in their investment policies and strategies reflecting that they promote environmental and/or social characteristics as defined under Article 8 of SFDR:

- Janus Henderson Fund – Absolute Return Fund
- Janus Henderson Fund – Global Equity Fund

A comparison of the Funds' current and revised investment policies and strategies will be available on our website [www.janushenderson.com](http://www.janushenderson.com) on or around **25 February 2022**.

Please note these amendments do not have a material impact on the Funds' investment strategy, portfolio composition, or risk profile. There is no change to the SRRI of any of the Funds as a result of this change. The clarifications are consistent with the Funds' existing investment objectives and policies. Please see "Options Available to You" below for details on how to respond to these changes.

**2. Clarification of the Share Class Benchmark for CHF Hedged Share Classes of Janus Henderson Fund – Absolute Return Fund, Janus Henderson Fund – Global Equity Market Neutral Fund and Janus Henderson Fund – Global Multi-Strategy Fund**

The stated Share Class Benchmark for the CHF Hedged Share Class of these Funds is "Swiss Base Rate (Swiss National Bank Base Rate)". We wish to clarify that the correct reference should be "Swiss Base Rate (Swiss National Bank **Policy** Rate)". This follows the Swiss National Bank having changed their policy of setting the rate from targeting a range of rates tied to LIBOR to a single policy rate, as a result of LIBOR being discontinued as an offering.

**There is no change to the Funds' risk profiles, the composition of the Funds' portfolios or the way the Funds are managed as a result of this clarification. You do not need to take any action in response to it.**

**3. Changes to the Janus Henderson Fund - Pan European Smaller Companies Fund**

- The reference benchmark that is used for performance comparison purposes will change from Euromoney Europe Smaller Companies Index to **MSCI Europe Small Cap Index**.
- The Fund's investment policy will be amended to include the flexibility to target European mid-cap companies.
- As a result of the above, the Fund's name will change from 'Janus Henderson Fund – Pan European Smaller Companies Fund' to '**Janus Henderson Fund – Pan European Small and Mid-Cap Fund**' to better reflect the Fund's investment policy and strategy.

**Please see Appendix 1 for further details including the options available to you on how to respond to these changes.**

**OPTIONS AVAILABLE TO YOU**

If you agree with the above changes, you do not need to take any action in response to this notice.

If you do not agree with the above changes, you may, at any time prior to the Dealing Cut-Off on **24 February 2022**, unless otherwise stated in the relevant appendix or summary, switch or redeem your Shares in the Funds without any charges. Switches and redemptions will be carried out in accordance with the terms of the Prospectus.

**How to switch or redeem your Shares, should you choose to do so**

Any dilution adjustment will be applied in accordance with the provisions of the Prospectus and may lower the proceeds that you receive from the sale of your Shares in the case of redemption or the value of your Shares in the case of switching.

If you choose to redeem your Shares in the Fund, we will pay the redemption proceeds to you in accordance with the provisions of the Prospectus, except that we will not impose any fee (except for any dilution adjustment, described above) if you redeem because of the changes described in this notice.

## Appendix 1

### Changes to the Janus Henderson Fund – Pan European Smaller Companies Fund

With effect from **25 February 2022**, we are making the following changes to the Fund:

- The Fund's investment policy will change to include the flexibility to invest in European mid-cap companies as part of its main policy, as explained below.
- The reference benchmark used for performance comparison purposes will change from Euromoney Europe Smaller Companies Index to **MSCI Europe Small Cap Index**, which is a more widely utilised benchmark for comparison in this equity category and by its peer funds.
- The Fund's name will change from 'Janus Henderson Fund – Pan European Smaller Companies Fund' to '**Janus Henderson Fund – Pan European Small and Mid-Cap Fund**' to better reflect the Fund's investment policy and strategy, as explained below.

#### **Rationale for and impact of the change in investment policy**

The Fund's investment policy permits the Fund to invest in European companies whose market capitalisation, at the time of purchase, exceeds €5 billion. The capitalisation figure may also be adjusted from time to time, depending on market conditions. The Fund's investment strategy states the Fund maintains a well-diversified portfolio of smaller companies and holds companies regarded as medium sized.

By changing the investment policy to expand the flexibility for the Investment Manager to invest in mid-cap stocks, while remaining biased towards small cap stocks, the Investment Manager will be able to select from a wider geographical universe as suitable investment opportunities arise and as conditions dictate, which will present further opportunities to generate investment returns.

As such, the Fund's investment policy will change as follows: -

Investment Policy (up to 24 February 2022)	New Investment Policy (from 25 February 2022)
<p><i>The Fund will invest at least two-thirds of its net assets in equities or equity-related instruments of:</i></p> <ul style="list-style-type: none"> <li>• <i>smaller companies having their registered office in Europe (including the United Kingdom),</i></li> <li>• <i>smaller companies that do not have their registered office in Europe but either (i) carry out a predominant proportion of their business activity in Europe (including the United Kingdom), or (ii) are holding companies which predominantly own companies with registered offices in Europe (including the United Kingdom).</i></li> </ul> <p><i>In this context the term "European smaller companies" means companies whose market capitalisation, at the time of purchase by the Investment Manager, does not exceed Euro 5 billion. This capitalisation figure may be adjusted from time to time, depending on market conditions</i></p>	<p><i>The Fund will invest at least two-thirds of its net assets in equities or equity-related instruments of:</i></p> <ul style="list-style-type: none"> <li>• <del><i>smaller</i></del> <i>companies having their registered office in Europe (including the United Kingdom),</i></li> <li>• <del><i>smaller</i></del> <i>companies that do not have their registered office in Europe but either (i) carry out a predominant proportion of their business activity in Europe (including the United Kingdom), or (ii) are holding companies which predominantly own companies with registered offices in Europe (including the United Kingdom).</i></li> </ul> <p>The Fund will invest in small and mid-capitalisation companies, in any industry. 	<u>billion. This capitalisation figure may be adjusted from time to time, depending on market conditions</u>
--	--

There will be no change to the rest of the Fund's investment policy.

- The Fund's Active Management and Benchmark Usage disclosure will change to:

*"The Fund is actively managed with reference to the **MSCI Europe Small Cap Index**, which is broadly representative of the companies in which it may invest, as this can provide a useful comparator for assessing the Fund's performance. The Investment Manager has discretion to choose investments for the Fund with weightings different to the index or not in the index, but at times the Fund may hold investments similar to the index."*

The Directors confirm that in respect of the above changes to the Fund:

- There is no change to the Fund's investment objective or strategy.
- The changes are consistent with the Fund's overall investment strategy and will not result in any material change to the Fund's risk profile.
- There will be no material change in the operation and/or manner in which the Fund is being managed.
- There will not be material adverse impact on the rights or interests of the shareholders of the Fund.
- There are no new fees, charges or increases in existing fees or charges borne by the Fund because of this change.

**Options available to you**

- If you agree with the above change, you do not need to take any action.
- If you do not agree with the above change, you may, at any time prior to the Dealing Cut-Off on **24 February 2022**, switch or redeem your Shares in the Funds without any charges. Switches and redemptions will be carried out in accordance with the terms of the Prospectus.

THE TERMS USED BUT NOT OTHERWISE DEFINED IN THIS NOTICE SHALL HAVE THE SAME MEANINGS AS THOSE DEFINED IN THE PROSPECTUS DATED 15 JULY 2021 (THE “PROSPECTUS”). THE DIRECTORS ACCEPT RESPONSIBILITY FOR THE ACCURACY OF THIS NOTICE.

THIS DOCUMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. IF YOU ARE IN ANY DOUBT ABOUT THE CONTENTS OF THIS NOTICE, PLEASE CONSULT YOUR STOCKBROKER, BANK MANAGER, SOLICITOR, ACCOUNTANT, RELATIONSHIP MANAGER OR OTHER PROFESSIONAL ADVISER IMMEDIATELY.

21 January 2022

Dear Shareholder,

We are writing to inform you of certain changes we are making to the Company and the Funds, which are summarised below and will be effective on or around **25 February 2022**, unless otherwise stated.

Please see “**Options Available To You**” below for further information on how to respond to this notice.

**1. EU Sustainable Finance Disclosures – further regulatory disclosure requirements for all Funds and update to environmental, social and governance (ESG) approach of certain Funds**

In March 2021, the EU Sustainable Finance Disclosure Regulation (“SFDR”) came into force, which stipulated that investment management firms must introduce prescript and standardised sustainability-related disclosures into their fund documentation in order to provide further information for investors on how investment managers consider sustainability risks in their investment decisions, and the likely impact on investment returns. Factors which are considered under sustainability broadly include environmental, social and governance (ESG) matters.

The Company first introduced these disclosures into its fund documentation on 10 March 2021, however the SFDR disclosure requirements have evolved over time as the European Union continue to issue further guidance on their expectations on investment firms.

In addition to SFDR, investors should note that there are also further disclosure requirements concerning the Taxonomy Regulation, which sets out an EU-wide framework (a classification system known as a “taxonomy”) according to which investors and businesses can assess whether certain economic activities are sustainable from an environmental / climate perspective. The first set of disclosure requirements on investment firms relating to the Taxonomy Regulation comes into effect from 1 January 2022.

In response to the evolving SFDR and Taxonomy Regulation disclosure requirements, we will be updating and adding to our existing disclosures in the Prospectus to demonstrate how the Investment Manager considers ESG matters in investment decisions in respect of the Funds and the likely impact on investment returns, which will be effective on or around 25 February 2022.

In addition, we will be making further updates to certain Funds in connection with SFDR and Taxonomy Regulation requirements, as further outlined below: -

**a) Update in relation to the ESG approach of certain Funds**

We are including additional clarifications in the investment policies and strategies of the following Funds to reflect that they promote environmental and/or social characteristics as defined under Article 8 of SFDR:

- Janus Henderson Horizon Fund – Euro Corporate Bond Fund
- Janus Henderson Horizon Fund – Euro High Yield Bond Fund
- Janus Henderson Horizon Fund – Pan European Absolute Return Fund
- Janus Henderson Horizon Fund – Pan European Equity Fund
- Janus Henderson Horizon Fund – Strategic Bond Fund

**b) Update to Investment Strategy of Janus Henderson Horizon Fund – Global Technology Leaders Fund**

The investment strategy of Janus Henderson Horizon Fund – Global Technology Leaders Fund in the Prospectus will be updated and enhanced in relation to the Fund's promotion of environmental and/or social characteristics.

A comparison of the relevant Funds' current and revised investment policies and strategies will be available on our website [www.janushenderson.com](http://www.janushenderson.com) on or around **25 February 2022**.

**Please note these amendments do not have a material impact on the Funds' investment strategy, portfolio composition, or risk profile. There is no change to the SRRI of any of the Funds as a result of this change. The clarifications are consistent with the Funds' existing investment objectives and policies. Please see "OPTIONS AVAILABLE TO YOU" below for details on how to respond to these changes.**

**2. Changes to Janus Henderson Horizon Fund – Global Natural Resources Fund**

With effect from **25 February 2022**, we are including additional disclosures in the investment policy and strategy to reflect that the Fund promotes environmental and/or social characteristics as defined under Article 8 of SFDR. In addition, in order to better reflect the ESG characteristics the Fund promotes and the Investment Manager's approach of investing in natural resources in a responsible way (e.g. through carbon reduction, excluding hydrocarbon producers and promoting the circular economy<sup>1</sup>) the Fund will be changing its name from Janus Henderson Horizon Fund – Global Natural Resources Fund to **Janus Henderson Horizon Fund – Responsible Resources Fund**.

**Please see "OPTIONS AVAILABLE TO YOU" below for more information on how to respond to these changes.**

**3. Change to the Janus Henderson Horizon Fund - Pan European Absolute Return Fund**

As notified to you previously on 1 July 2021, the reference benchmark used as the basis for this Fund's performance target and for calculating performance fees for the relevant Share Classes changed from the Euro Main Refinancing Rate to **Euro Short Term Rate**. In addition, the hurdle rate of return that is used for calculating performance fees was changed to Euro Short Term Rate + 1%. These changes were made in order to comply with the European Securities and Markets Authority's guidelines on performance fees in UCITS.

Further to these recent changes, we will also be making an amendment to the stated Performance Target for the Fund to clarify that the Investment Manager seeks to outperform the reference benchmark by at least 1% per annum. The new Performance Target, which will become effective on or around 25 February 2022, is stated below: -

***New Performance Target***

<sup>395</sup> The circular economy employs reuse, sharing, repair, refurbishment, remanufacturing and recycling to minimise the use of resource inputs and reduce waste, pollution and carbon emissions. It aims to keep products, materials, equipment and infrastructure in use for longer, thus improving the productivity of these resources.

**There is no change to the Fund's risk profile, the composition of its portfolio or the way it is managed. The clarification is consistent with the Fund's existing investment objective and policy. You do not need to take any action in response to this clarificatory change.**

**4. Addition of a Sub-Investment Manager to the Janus Henderson Horizon Fund - Euro High Yield Bond Fund**

With effect from 25 February 2022, Janus Capital Management LLC (JCM) will be appointed as a Sub-Investment Manager for the Fund, alongside the Investment Manager. JCM is in the same group of companies as the Management Company and the Investment Manager, and is a U.S. based investment management subsidiary of Janus Henderson Group. JCM is registered as an investment adviser with the US Securities and Exchange Commission and has been engaged in the financial services business since 1970. This appointment seeks to leverage Janus Henderson Group's global portfolio management capabilities. The investment management fees of JCM for acting as the Sub-Investment Manager will be borne by the Investment Manager.

**There is no change to the Fund's risk profile, the composition of its portfolio or the way it is managed. Please see the options available to you below on how to respond to this change.**

**5. Changes to the Janus Henderson Horizon Fund - Pan European Smaller Companies Fund**

The reference benchmark that forms the basis of the Fund's Performance Target and the level above which Performance Fees may be charged for the relevant Share Classes of the Fund will change from EMIX Smaller European Companies Index to **MSCI Europe Small Cap Index**.

**Please see Appendix 1 for further details including the options available to you on how to respond to these changes.**

**OPTIONS AVAILABLE TO YOU**

If you agree with the above changes, you do not need to take any action in response to this notice.

If you do not agree with the above changes, you may, at any time prior to the Dealing Cut-Off on **24 February 2022**, unless otherwise stated in the relevant appendix or summary, switch or redeem your Shares in the Funds without any charges. ## Appendix 1

### Changes to the Janus Henderson Horizon Fund – Pan European Smaller Companies Fund

With effect from **25 February 2022**, we are changing the reference benchmark, stated in the Fund's Performance Target and Active Management and Benchmark Usage, and that is used to calculate the performance fee for the relevant Share Classes of the Fund (the "Relevant Share Classes") from the EMIX Smaller European Companies Index (the "Current Benchmark") to **MSCI Europe Small Cap Index** (the "New Benchmark"). This is because the New Benchmark is more widely utilised for comparison in this equity category and by its peer funds.

The Fund's Performance Target will change to:

*"To outperform the **MSCI Europe Small Cap Index**, after the deduction of charges, over any 5-year period."*

The Fund's Active Management and Benchmark Usage disclosure will change to:

*"The Fund is actively managed with reference to the **MSCI Europe Small Cap Index**, which is broadly representative of the companies in which it may invest, as this forms the basis of the Fund's Performance Target and the level above which Performance Fees may be charged (if applicable). The Investment Manager has discretion to choose investments for the Fund with weightings different to the index or not in the index, but at times the Fund may hold investments similar to the index."*

Please see section '**Share Classes Impacted**' below in this Appendix for a list of the Relevant Share Classes impacted by this change.

#### ***Impact of change of reference benchmark for calculating performance fee***

Generally, the performance period for calculating the performance fee is from 1 July of a year to 30 June of the following year. For the purpose of this calculation, the last time that a performance fee was paid or the date on which the performance fee was introduced for the first period (whichever is later) will be considered to be the start of the relevant performance period for the Relevant Share Class.

Up until and including 24 February 2022, the performance fee of the Relevant Share Classes will be determined based on the Hurdle NAV calculated on the daily return of the Current Benchmark.

From and including 25 February 2022, the performance fee in respect of the Relevant Share Classes will be determined based on the Hurdle NAV calculated on the daily return of the New Benchmark.

For the purpose of calculating the performance fee of the Fund from 25 February 2022, the daily return of the New Benchmark will be applied to the Hurdle NAV as at 24 February 2022. The Hurdle NAV as at 24 February 2022 captures the Current Benchmark return from the start of the Crystallisation Period to 24 February 2022. For example, where the Current Benchmark has appreciated 30% from the start of the relevant Crystallisation Period for the Relevant Share Class up to 24 February 2022, the Hurdle NAV as at 24 February 2022 will capture the appreciation. This ensures any under/over performance relative to the performance of the Fund over the relevant Crystallisation Period up to 24 February 2022 will be taken into account in the continuing calculation. On 25 February 2022, the daily return of the new Benchmark will be applied to the Hurdle NAV as at 24 February 2022 which incorporates the 30% appreciation from the Current Benchmark. The daily return of the New Benchmark will be applied to the prior day Hurdle NAV thereafter.

In respect of the current performance period to 30 June 2022, any performance fee accrued will be payable to the Investment Manager on 30 June 2022. As at the date of this Notice, there are no performance fees accruing against the Current Benchmark in respect of the Fund. Performance fees against the Current Benchmark may continue to accrue from the date of this notice until 24 February 2022 and from 25 February 2022 until 30 June 2022 against the New Benchmark. The aggregate

Janus Henderson Horizon Fund  
2 Rue de Bitbourg, L-1273 Luxembourg, Grand Duchy of Luxembourg  
W [janushenderson.com](http://janushenderson.com)

accrued performance fee to 30 June 2022 will crystallise at the end of the performance period and be payable to the Investment Manager at the end of the performance period on 30 June 2022. To the extent that the net asset value per Share of the Fund decreases or underperforms either benchmark, no performance fee will be accrued until such decrease and any underperformance on a per Share basis has been made good in full and any previously accrued but unpaid performance fees will be partly or fully reversed accordingly.

The current high water mark for determining the performance fee of the Relevant Share Classes of the Fund will not be affected by the change in the reference benchmark and will be carried forward for determining the performance fee based on the New Benchmark as at 24 February 2022.

It should be noted that the change in reference benchmark may lead to a different value of performance fee compared to that which would have been calculated using the Current Benchmark. However, the level of performance fee payable for the Relevant Share Classes is not expected to be significantly different after the change of benchmark.

The Directors confirm that in respect of the above changes to the Fund:

- There will be no material change in the operation and/or manner in which the Fund is being managed.
- There will be no material change to the features (including the investment objective and policy) or overall risk profile of the Fund.
- There will not be a material adverse impact on the rights or interests of the shareholders of the Fund.
- There are no new fees, charges or increases in existing fees or charges borne by the Fund because of these changes except that the performance fee for the Relevant Share Classes will be determined based on the New Benchmark from 25 February 2022 onwards and that this may lead to a different value of performance fee (which may be higher or lower) compared to that which would have been calculated using the Current Benchmark.

For further details regarding the calculation of performance fees, please refer to the section in the Prospectus titled "Fees, Charges and Expenses – Performance Fees".

#### **Options available to you**

- If you agree with the above change, you do not need to take any action.
- If you do not agree with the above change, you may, at any time prior to the Dealing Cut-Off on **24 February 2022**, switch or redeem your Shares in the Funds without any charges. Switches and redemptions will be carried out in accordance with the terms of the Prospectus.
