STUDENTBO

**Länsförsäkringar

Home insurance for **peace of mind**

As a student you need your own home insurance to protect your home and your possessions. You are no longer covered by your parents' insurance when studying at another location. Länsförsäkringar Östgöta and Studentbo have collaborated to offer you 20% off your home insurance.

This offer gives you full value insurance comprising the following basic protection:

Property protection

If anything should happen to your possessions (e.g. fire, water damage, theft or vandalism).

All risks insurance

If your property is damaged or lost owing to a sudden and unforeseen event.

Travel insurance for 45 days

If anything should happen to you or your possessions while travelling. (If you are not registered and resident in Sweden, the insurance is only valid in Sweden).

Legal cover

Financial assistance if you need to consult a lawyer.

Liability cover

If you cause damage to another person's property.

Assault protection

Compensation for assault.

Additional insurance

The insurance for your home includes good cover for most eventualities, but you may sometimes need to supplement your cover with, for example:

- Enhanced travel insurance
- Jewellery insurance – if you have jewellery and watches to a value of over SEK 200,000 in your home

Excess reduction of SEK 1200

You also get an excess reduction. This will be applied automatically to your insurance and is valid for the term of the lease. It can be utilised if your claim is covered by the home insurance and exceeds the excess of SEK 1200.
