

Your home insurance continues **free of charge**

Your home insurance was set up to run until 31 March 2023 free of charge. At Länsförsäkringar Västerbotten, we have now decided to extend free home insurance to refugees up to and including the last of september 2023.

Do we have the right place of insurance?

Does the address where you live still match the place of insurance stated on the insurance letter? If not, please contact us with your current details so that we may update your policy.

If the place of insurance and the other details in the insurance letter are still current then there is no need to do anything and your insurance will remain valid as before.

Scope of insurance

Home insurance offers a base foundation in your financial safety net and comprises a wide range of protections, including for real estate, liability and assault. Visit our website LFvasterbotten.se to find out more about what is covered by the insurance and to read the full terms and conditions.

Don't hesitate to contact us if you have any queries.

Best wishes,
