In cooperation with

Home insurance for peace of mind

As a tenant you need your own home insurance to protect your home and your possessions. Länsförsäkringar Östgöta and Stångåstaden have collaborated to offer you home insurance at a preferential rate.

This offer gives you full value insurance comprising the following basic protection:

Property protection

If anything should happen to your possessions (e.g. fire, water damage, theft or vandalism).

Comprehensive insurance

The comprehensive insurance policy protects you if your property is damaged or lost through sudden, unexpected events, for example if you lose your glasses or happen to tip your TV over.

Liability cover

If you cause damage to another person's property.

Legal cover

Financial assistance if you need to consult a lawyer.

Assault protection

Compensation for assault.

Travel Protection for 45 days

Extended travel protection is included in your home & contents insurance policy with a

cancellation protection programme and compensation for delayed baggage delivery. The insurance policy is valid for the first 45 days of your trip. If you are not on the national register, the travel insurance is valid in Sweden only.

Additional insurance

The insurance for your home includes good cover for most eventualities, but you may sometimes need to supplement your cover with, for example:

- Accident insurance
- Jewellery insurance - if you have jewellery and watches to a value of over SEK 200,000 in your home

Excess reduction of SEK 1200

You also get an excess reduction. This will be applied automatically to your insurance and is valid for the first two years of the tenancy. It can be utilised if your claim is covered by the home insurance and exceeds the excess of SEK 1200.
