Any non-incorporated parts of the 2018 Year-End Report (which, for the avoidance of doubt, means any parts not listed in the cross-reference lists above) are either deemed not relevant for an investor or are otherwise contained elsewhere in the Base Prospectus.

The 2018 Year-End Report is an English translation of the original report in the Swedish language and the Issuer accepts responsibility for the English translation of the 2018 Year-End Report.

A copy of the 2018 Year-End Report has been filed with the *Commission de Surveillance du Secteur Financier* and, by virtue of this Supplement, the relevant pages of the 2018 Year-End Report that are included in the cross-reference list above are incorporated by reference in, and form part of, the Base Prospectus. Save as disclosed in this Supplement, there has been no other significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectus since the publication of the Base Prospectus.
