20th December 2023

Dear Shareholder

We are writing to you in your capacity as a shareholder in the Eaton Vance International (Ireland) Parametric Emerging Markets Fund (the "Fund"), a sub-fund of the Company.

Pursuant to the articles of association of the Company (the "**Articles**") and the Prospectus, the Company may redeem all of outstanding Shares of the Fund by not less than thirty days' notice in writing to the Shareholders if at any time the Net Asset Value of the Fund on any Dealing Day falls below an amount which the Directors, on the advice of the Investment Adviser, believes is economically viable for the Fund.

We have considered the current Net Asset Value of the Fund, the likelihood of further redemptions and the lack of future prospects for asset raising in the Fund. Having consulted with the Investment Adviser and carefully considered the matter, we believe that the Fund is no longer economically viable and have determined that the closure and liquidation of the Fund is in the best interests of the Shareholders. Therefore, we have decided, pursuant to the power conferred in the Articles and the Prospectus, to redeem all of the Shares in the Fund.

The Fund will be closing on 31 January 2024 (the "**Closure Date**").

Shares may be redeemed in advance of the Closure Date in accordance with the terms of the Prospectus.

If you choose **NOT** to redeem your Shares prior to the Closure Date, your Shares will be redeemed on the Closure Date.

In respect of redemptions prior to, or on the Closure Date, the Fund will aim to pay redemption proceeds, calculated in accordance with the Prospectus, within the usual timelines for settlement as specified in the Prospectus. There is a percentage of securities in the Fund (up to 10% as at the date of this notice) where settlement of these positions will take time due to the repatriation of monies, that the Fund may take time to liquidate or that the Fund is unable to liquidate at this time (a small portion of Russian securities). As a result, a portion of redemption proceeds will not be paid by the Fund until such time as

cash for the sale of these securities is received. This may be more than one year following the Closure Date and it is possible you will not receive the full amount of such delayed proceeds, where these are not received by the Fund.

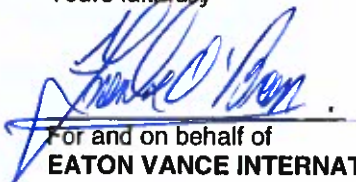

Effective on or about the date of this notice, the Investment Adviser expects to begin selling the Fund's holdings, and investing the proceeds in alternative liquid assets or cash and cash equivalents, in anticipation of the Fund's liquidation. As a result, pending the closure, the Fund's holdings may be substantially in cash until the final redemption of remaining Shareholders and may not be compliant with its investment policy as set out in the Supplement and/or diversified in accordance with UCITS risk diversification requirements.

Effective as of the date of this notice, the Fund will be closed to further subscriptions.

The termination costs of the Fund have also been accrued into the Net Asset Value of the Fund, subject to the voluntary TER cap not being exceeded, and the balance of any termination costs will be borne by the Manager.

We thank you for your continued support. If you have any queries regarding this circular or your investment in the Fund, please contact your sales representative.

Yours faithfully

For and on behalf of
