Legal Entity Renaming

Dear Sir or Madam,

Since March 23, 2018, Deutsche Asset Management consolidates all of its Asset Management activities globally under the brand name DWS.

As a consequence of this, please allow us to inform you about the following changes as regards to our legal entity name. As of January 1, 2019, the following legal entity was renamed as follows:

<u>Previous name</u>	<u>New name</u>
Deutsche Asset Management S.A.	DWS Investment S.A.

The change of legal entity name has no impact on existing contractual relationships, including contractual agreements and no amendments are required. In addition, existing processes, competencies and responsibilities as well as your account and relationship manager remain unchanged. However, we kindly ask you to consider the new legal entity name in all invoicing and billing processes from January 1, 2019 onwards.

Thank you for your continued business with us. Should you have any further questions, please do not hesitate to contact your account manager.

Yours sincerely,

DWS Investment S.A.

Manfred Bauer

Nathalie Bausch
