1 Sub-Fund Merger

BACKGROUND AND RATIONALE

The merger is proposed to regroup within a unique investment vehicle (i.e. CPR Invest) the sectorial and thematic strategies managed by CPR Asset Management.

This merger is in compliance with Chapter 8 of the law of 17 December 2010 on undertakings for collective investment (the “**2010 Law**”), Article 33 of the articles of incorporation of the Company and the related section “Liquidation and Merger” of the prospectus of the Company and Article 24 of the articles of incorporation of CPR Invest and the related section 13.7 “Merger of Liquidation of Compartments” of CPR Invest prospectus.

Shareholders of the Merging Sub-Fund (the “**Shareholders**”) who do not wish to participate in the merger may request the redemption of their shares free of charges as detailed below in further details.

SUMMARY

PRIOR TO THE MERGER

Subscriptions, redemptions and/or conversions of shares of the Merging Sub-Fund will be suspended from the Beginning of Suspension Period (as defined below) until the End of Suspension Period (as defined below) in order to implement the procedures needed for the merger in an orderly and timely manner.

No general meeting of Shareholders will be convened to approve the merger and Shareholders are not required to vote in respect of the merger.

WHAT HAPPENS ON THE EFFECTIVE DATE

On the Effective Date, all assets and liabilities (if any) of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund. As a result, the Merging Sub-Fund will cease to exist and will be dissolved without going into liquidation.

Shareholders will receive a confirmation note of their new holding in the Receiving Sub-Fund as soon as practicable after the Effective Date.
